- 5A/5B passed!
 - 5A mill levy, funds to go to salary increases, not sure how much for each pay group, plan is that increased will go out in January. Board will approve the amount of increase for each pay group. District sent out a survey to all employees asking us to rank how the \$\$ should be allocated
 - Counselors for elementary schools-possibly will happen this school year. We already fun a 3 day a week counselor. Hope to get these funds back in our budget if counselor allocations start this school year
 - 5B-bond \$\$-no update on the yet. John shared they are looking a packing the work. Looking for a manager...starting the work hopefully!

- October Count update-projected 515, Actual 513, break even
 - Updated 18/19 budget with 17/18 rollover \$\$
 - Rollover money \$197, 651 We are looking at what are next steps to spend this money in ways/things we have neglected over the past couple years.

- 1. 2018 CMAS Results-See school performance frameworks handouts-handed out to the group with information on the last 3 school years. We have a slow and steady increase of our scores. We meet our achievement expectations when we look at our school as a whole. When you look at specific student groups, we have areas to improve upon. We look at growth as being the most important part of our scores over the

years. We look to build on our scores and put supports in place for students to increase skills and learning.

- SAC looked at a sample test question from the ELA CMAS for fourth grade. Gina explained that at our last PD day, all of our teachers took the test and talked within our grade level teams and vertical teams about instructional practices, assessments, and skills to build upon on our classrooms. Also, talked about how the test questions aligned with the CAS. I-ready assessment also addresses some of the questioning and standards to support student understanding.

2. Upcoming DAC Meeting

- November 20th, 6:30 – 8:30 p.m. Wilcox Building, Castle Rock
 - Shannon Seales will attend the meeting next week.
